EXPERIENCE

CarePilot

Director of Frontend Engineering

May 2025 – Present

- Leading the creation of human-centered digital experiences by blending technical precision with design excellence
- Manage and mentor a team of frontend engineers, conducting regular 1:1s, performance reviews, and technical interviews
- Drive frontend architecture decisions and establish engineering standards across the organization
- Collaborate cross-functionally with product, design, and backend teams to align on roadmap priorities and delivery timelines
- Champion code quality through PR review processes, tooling improvements, and engineering best practices

Lead Frontend Software Engineer

Oct 2024 – Aug 2025

- Led frontend development of EHR-integrated clinical tools, owning architecture and implementation across multiple product surfaces
- Mentored junior engineers and contributed to hiring pipelines through technical assessments and candidate interviews

Staff Software Engineer

Aug 2024 – Oct 2024

- Contributed to core frontend infrastructure using React, TypeScript, and Redux

Quest Analytics, LLC

Software Engineer Intern

Jun 2024 – Aug 2024

- Built and maintained full-stack features across the application, contributing to both frontend UI and backend services
- Collaborated with the engineering team in an agile environment, participating in sprint planning, code reviews, and standups
- Gained hands-on experience with production codebases and delivered independently scoped work within a 3-month timeline

PAX8

AWS Alliance Associate | Junior Software Engineer | Studio Intern

Jun 2022 – May 2024

- Built automation templates for login credentialing and payer/distribution accounts on AWS Cloud using Infrastructure as Code (IaC)
- Created system automation tools and dynamic scripts for Media Production Team to improve live and recorded event production
- Relevant Software: AWS, CloudFormation, Python, vMix, XML, JavaScript, CSS, HTML

Ready Hatch

Research Intern

Jun 2019 – Aug 2019 | Denver, CO

EDUCATION

University of Kansas

Bachelor of Science, Computer Science | Cyber Security Certificate

Graduated: May 2024 | GPA: 3.7/4.0 | Dean's List: F20, S21, F22, S23

Golden High School | Class of 2020

GPA: 4.5/4.0 | Top 10%

SKILLS

Frontend Development: HTML, CSS, React JS, JavaScript, Photoshop, Illustrator

Backend Development: AWS, Python, YAML, C/C++, MySQL, JSON

Amazon Web Services: AWS Cloud Practitioner, AWS Technology Serverless, AWS Technical Accredited Partner, AWS Cloud Economics Academy Partner

Other: AWS Sales, AWS Cloud Economics

VOLUNTEERING

JDRF Walk, Tutoring, Alpha Chi Omega, Natural Ties, Hearts for the Homeless, The Big Event
